SUBMITTAL REQUIREMENTS

City code outlines various items which must be submitted and considered as part of Administrative Utility Cabinet applications. The following items must be submitted for this application to be considered complete. **All plans and written information submitted as part of this application is public information that may be used in written reports and distributed to the public.**

<p>Site Plan</p>	<p>The site plan must be drawn with a straight edge and to a standard engineering scale. The site plan must include the following information:</p> <ul style="list-style-type: none"> • north arrow • streets labeled • all lot lines with dimensions • all known easements • natural features (lakes, creeks, floodplain, or wetlands) • all trees in the area of the addition, both existing and to be removed
<p>Cabinet Drawings</p>	<p>Scaled drawings of the cabinets must include: dimensions of the cabinet and elevations.</p>
<p>Landscape Plan</p>	<p>Landscape plan must include quantities, species, and site restoration. The landscape plan depicted below has been preapproved by the City and may be used for this application.</p>
<p>Other Items As Required</p>	<p>City staff may require that additional items be submitted for full review of this application.</p>

APPROVED LANDSCAPE PLAN
