

Minnetonka Big Tree Nomination Form

Thank you for your interest in the NEW Minnetonka Big Tree Register. Tell us the location of a really big tree you've found and Natural Resources staff will identify and measure the tree. The top four records of each tree species will be recorded in the Minnetonka Big Tree Register.

Please refrain from nominating private trees unless the property is owned by you.

Feel free to share this nomination form with your neighbor(s).

The Minnetonka Big Tree Register will be maintained in the Natural Resource Division of Minnetonka Public works. Information will be available to the public upon request. Private property addresses will be included in the public list *only with the property owner's permission*.

Note: Minnetonka Big Tree verifications will be made on a low priority basis as time permits.
