

Adopt – A – Spot

Volunteers are needed to adopt a specific spot in the following parks to “release” valuable native plants from buckthorn competition.

<u>Park name</u>	<u>Native Plants to release</u>
Hilloway Park	Orchid wildflowers
Jidana Park	Oaks, bladdernut, hickory
Lone Lake Park	Gray dogwoods, blackberries, pin cherry thicket
Minnetonka Mills Park	Choke cherry thicket
Orchard Park	Young choke cherries
Purgatory Park	Many species on the oak ridge, Choke Cherry thicket Bird thicket

On-site training will be provided.

All volunteers wishing to work must sign a city release statement.

To volunteer, call the City of Minnetonka Natural Resources Division restoration specialist at 952.988.8423.
