

Boulder Creek Park
Neighborhood Meeting #2 Summary
7:00pm, City Council Chambers

Present at the meeting:

Dave Johnson, Director

Perry Vetter, Program Manager

Craig Sinclair, Park Maintenance Manager

Jason Amberg, Brauer & Associates, Ltd.

Concepts A and B were reviewed by residents, who decided to proceed with Concept B, adding the following changes:

- Restrooms: Include portable restroom enclosure between warming house and hockey rink;
- Gazebo: Small, in place of arbor structure near the play area;
- Parking: Keep 5 to 10 existing spaces on the S. side;
- Warming house: Add windows.

These ideas will be included in a Master Plan, which will then be presented to the Park Board on April 7, 2004 in the City Council Chambers. A total of four park plans will be presented to the Board for approval on this date; exact times for each park have not yet been set. Updates and Master Plans will be posted on the Parks Renewal website, accessed through the City of Minnetonka's homepage.
