### You are invited...

The City of Minnetonka invites you to attend a Park Board meeting regarding the proposed Minnetonka Civic Center master plan. We encourage you to view the proposal and to keep current on future activities by visiting our web site at [eminnetonkaparksrenewal.com](http://eminnetonkaparksrenewal.com) and clicking on Civic Center Park.

### What's being proposed?

The City of Minnetonka has undertaken a land use and master plan study of the Civic Center Campus to consider a variety of short- and long-term land use issues. Neighborhood meetings were held on February 19, 2003, and June 26, 2003 to gather input from area residents. The planning process has also included input from user groups, the Park Board and the City Council. The proposed master plan is now available for review and comment.

### What happens at the meeting?

The Park Board will review the proposed master plan, receive public comments, and make a recommendation to the City Council. Review and approval by the City Council is tentatively set for March 15, 2004. *Please note that you will not receive a notice for that meeting.* Check our web site at [eminnetonkaparksrenewal.com](http://eminnetonkaparksrenewal.com) for meeting time and date confirmation.

### Who can I talk to about the plan?
