During the overtime period, for a goal to count the shooter and the ball both must be across the red line in the attacking zone. Games tied following this period will remain tied.
3. A legal team will consist of six players, although a team will be allowed to start and finish with five players.
4. All face-offs following the stoppage of play on minor violations will take place based upon the location of the ball at the time of the stoppage. These minor violations include cases of kicking the ball more than twice in succession, kicking the ball out of the zone, hitting the ball out of the rink, passing the ball with the hand to a teammate, the goalie freezing the ball, icing, etc. The official will determine the face-off location.

6. Hopkins-Minnetonka's broomball league is a "no-check" program. A minor penalty will be called for the first offense. A second offense by the same player in the same game will result in a game misconduct.
7. A six-minute major penalty will be enforced for violations including, but not limited to, abusive language, bench-coach conduct, injury sustained by a high broom. No replacement will be allowed for a person serving a major penalty.

10. Penalty Shot: The referee places the ball at center-ice and upon his instruction the ball is played in a forward motion. The player is allowed one shot and may not score on a rebound. 12. If a team wishes to change goalies they must wait for a dead ball unless they are pulling the goalie out of the game to add an additional attacker.
13. Floating Blue line: When the team in control of the ball breaks into the opponent's zone, the blue line will be used for off-sides. Once inside the zone, the off-sides line expands to the red line. When the defensive team gains control of the ball, they will utilize the far blue line as their off-sides. For a delayed off-sides, a player needs to only retouch outside of the blue line with play continuing.
