For additional information regarding private lessons, please call Carol Timm's voicemail at 952-939-8318.

**General Information**

We recommend that all beginning skaters wear mittens, helmets and warm clothing that will not impede their movement. All skaters should have single blade skates with tie closures. Only skaters registered for classes are allowed on the ice during classes. For safety reasons, no one is allowed on the ice without skates on. Parents and spectators should sit in the bleachers behind the glass during class sessions so that students are not distracted.
