Study Session summary May 3, 2004  
Special Study Session summary May 24, 2004

The purpose of a study session is for the council to discuss matters informally and in greater detail than is allowed at formal council meetings. All meetings of the council, including study sessions are open to the public. While the privilege of participating in these discussions is generally limited to the council, staff and consultants, the mayor may open a discussion from the floor.
