Memorandum

To: City Council
From: Loren Gordon, AICP, City Planner
Date: December 7, 2009
Subject: Change Memo for the January 4, 2010 City Council Agenda

12A – United Health Group Ordinance Introduction

Page 2 of the Staff Report, should read as follows:

Prior to submittal of the formal development application, the applicant submitted concept plans to the city for informal review. Staff has outlined the following review process for the proposal. ~~At this time, a formal application has not been submitted.~~

14A – St. Therese

Page 6 of the Ordinance, item 2c should read as follows:

- c. Submit final site, grading, drainage, utility and erosion control plans for staff approval, including any required drainage calculations. There should not be any construction activity within 40 8 feet of the northerly 60 feet of the westerly property line to avoid impacts to the adjacent white pines.
