Subject: Amber Greves vacancy

Please do NOT hold a special election to fill this vacancy. I urge you and the rest of the City Council to appoint an interim at large member to fill the vacancy before the general election next fall.

The cost of a special election is not justified, given the city's budget constraints.

To: James Hiller
Subject: Special election

Dear Council Member Hiller,
Please consider having a special election in the near future. The citizens of Minnetonka deserve full representation as soon as possible to COMPLETE the term of vacated position.
Thank you for your attention to this important matter.
Sincerely,
Steve, Marge, Julia and Jana Hoffa

Subject: City council

I and my wife live in Glen Lake area and want an election for the vacancy of the resigning council member. We have to many selected and appointed representatives running our city government now and should not take away any more of our representation as Minnetonka citizens.
