7. **Public Hearings: Consent Agenda - None**

City staff has placed items that they consider routine on the consent agenda. The Planning Commission will hold one public hearing and then approve all such items with one motion. Before voting on the consent agenda, the chair will open the hearing, announce each item and ask if anyone wishes to have a separate discussion or vote on that item. If so, that person should raise their hand. The Commission will then remove that item from the consent agenda and hold a separate hearing on it after voting on the consent agenda items. The chair may allow informational questions without removing an item from the consent agenda. Items approved under the consent agenda are approved subject to the staff recommendations.
